Aerospace-Grade Precision: Reliable.Refined.Ready™

Stone Rose Group, LLC (SRG™) delivers sophisticated consulting solutions in management, human capital, and quality management. We leverage nearly two decades of experience within the Defense Industrial Base (DIB) and Department of Homeland Security (DHS)/Transportation Security Administration (TSA) to provide the technical discipline and administrative excellence required for mission-critical success. Our work is rooted in executive-level due diligence, ensuring all management and quality deliverables meet the highest standards of integrity.

Core Competencies

- **Strategic Management Consulting** (NAICS: 541611, 541618): Mission Alignment & Process Excellence
- **Human Performance Strategy** (NAICS: 541612, 561330): Talent Architecture & Workforce Resiliency
- **Quality Management & Compliance** (NAICS: 541614, 541990): Systems Integrity & Compliance Oversight

Differentiators

- **The "Ground-Up" Advantage:** Our leadership rose from entry-level support to the Executive Team within the DIB; we understand every layer of the mission from the production floor to the boardroom.
- **Executive Due Diligence Experience:** Our Founder served on the executive due diligence team during a strategic defense acquisition; contributing to a high-performance audit posture and regulatory transparency to ensure a seamless and compliant transition.

The SRG Standard

We translate high-consequence mission requirements into disciplined, repeatable results. By applying aerospace-grade rigor to professional services, we bridge the gap between strategic intent and federal and state compliance—ensuring your optimal business performance.

Differentiators (continued)

- **Proven Mission Experience:** Our Founder has 19 years of direct operational experience supporting the DIB, applying aerospace-grade precision to all professional service offerings.
- **Operational Discipline:** We bring the accountability of aerospace manufacturing—where the margin for error is managed through systemic strength—to the professional services sector.
- **Agile Small Business:** Providing the scalability of a large firm with the responsiveness of a boutique consultancy.

Past Performance

- **Undersea Warfare (W2):** Acoustic Rapid COTS Insertion (A-RCI), AN/BYG-1, Integrated Submarine Imaging System (ISIS), SubLAN, and USW-DSS.
- **Surface Combatants (W2):** Aegis Modernization, AN/UYQ-70, ASWCS, and GCCS-M.
- **Tactical Infrastructure (W2):** IT-21, NTDPs, and SMMTT.
- **Specialized Intelligence, Surveillance, and Reconnaissance/ Electronic Warfare (ISR/EW) (W2):** Gunslinger, SHADOW, and SHERIFF.
- **Professional Services (W2):** Integrated Program Management Support Services (IPMSS).
